Re: Northern Stone: Submittal of Plan of Operations

Dear Lynn:

This letter is in follow up to my April 15, 2005 letter confirming the extension to submit the Plan of Operations for Northern Stone Supply's Park Valley Quarry in Box Elder County. Due to scheduling conflicts, we have been unable to meet with Gary Mullard to finalize the Plan of Operations. Therefore, the revised Plan of Operations is not ready for submission at this time.

We have scheduled a meeting with Gary Mullard and Val Sawyer (SRK) on May 6, 2005 to review and finalize the plan. We anticipate that the plan will be submitted with a week or two following that meeting.

We appreciate the Division's assistance in this matter. Feel free to contact me if you have any questions.

Best regards,

Richard R. Hall
